REQUEST FOR INITIALED PTO FORM 1449

Upon reviewing the file, applicant has not received a fully initialed copy of the enclosed PTO Form 1449 that accompanied an information disclosure statement filed March 12, 2001. It is believed that this omission is the result of a USPTO error and that this information disclosure statement complied with and was filed timely according to 37 CFR 1.97. Although initially filed March 12, 2001, this application's file was rebuilt, and the IDS as available on PAIR is stamped by OIPE with the date of December 6, 2006, a copy of the portion of the IDS not initialed and returned is enclosed for convenience.

In particular, pages 3 and 4 of the information disclosure statement were not initialed and returned with the rest of the IDS. These pages include a copy of a PTO Form 892 and cite two references. For convenience, a PTO Form 1449 citing these two references is enclosed with this request. Applicant requests that the Examiner initial and return the enclosed PTO Form 1449 (or the two pages of the originally filed IDS) as soon as possible. Notably, the issue fee was paid on April 10, 2008.

Respectfully submitted,

Date: 4/11/08
